

I would like to thank everyone for their time invested in Ashland Youth Hockey and our kids. Without you, we would not be able to run this association as efficiently as it is ran and be able to keep our costs as low as they are! Work hours are a great way to get to know parents from all different teams and see some hockey games.

In the concessions this year we have a new popcorn machine and a new nacho cheese dispenser. Yeah! No more messy can to deal with.

Zamboni drivers will have the keys to open up the Civic Center and the concessions. They will be responsible to lock up at the end of the night as well. While they are not operating/maintaining the Zamboni they are also asked to keep an eye on the bleacher areas and help where they see it is needed.

Call person: The call person for each group is in bold print. It is helpful if the call person could make 5 quick phone calls to their group members to remind them a day or two in advance of the groups turn to work.

On-ice chaperones: We have one full time chaperone and 4 other volunteers that will rotate each month. They are only responsible to be on the ice from 7-9 pm on Wed. Alex Bruns who is a student at Northland College, is our full time chaperone.

During the AHS games we are in charge of taking money at the door, working 2 penalty boxes, the concessions and clean up. There are 2 work groups scheduled to work these games.

During Northland College games we are only responsible for the concessions and the clean up at the end of the night.

Open skate: We will have 2 on ice chaperones, take money at the door and also run the concessions. At the end of the night we are responsible for clean up. Please don't forget the bathrooms, upstairs and the bleachers.

Please remember to sign in on the clip board. If you are switching or covering for another family, please write their name on the sheet as well. If you are unable to work your scheduled time, it is your responsibility to find a replacement. Included is a list of all skaters last names, parents first names and telephone numbers. Please update any info on the bulletin board. If you have any questions please feel free to contact me at 682-2477 or Deb Yachinich at 682-3098. Thanks again for your time and willingness to be a part of this. I'm looking forward to a successful season.
